## *An Invitation*

On behalf of the Cuban Society of Pharmacology, you are invited to the **4th International Congress of Pharmacology and Therapeutic, "Pharmacology Havana 2010"** and **9th National Congress of the Cuban Society of Pharmacology** which will take place from the 13<sup>th</sup> to the 16<sup>th</sup> of December, 2010, in Havana, Cuba.

The meeting will be focused on new drug entities and major therapeutic breakthroughs, and will be directed to professionals interested in rational drug therapy, and to those working on basic and clinical pharmacology, drug development and drug safety reporting. Symposia will combine basic and applied pharmacology with therapeutics. The scientific program has been organized to comprise main lectures, symposia, medical alert sessions, plenary sessions on new therapies, and some guided-poster sessions, all divided into different events that will be developed simultaneously: **5<sup>th</sup> Workshop on Pharmacovigilance in the 10<sup>th</sup> Anniversary of Pharmacovigilance Cuban Coordinating Unit, 2<sup>nd</sup> National Symposium on the Teaching of Pharmacology, 2<sup>nd</sup> Symposia on Therapeutic Updating in Cancer, Asthma, and Endocrinology, 1<sup>st</sup> International Symposium on Alternative Pharmacology and Toxicology, 1<sup>st</sup> International Symposium on Pharmacogenetic and Meeting of Iberoamerican Society of Pharmacogenetic, 1<sup>st</sup> International Workshop on Pharmacoeconomy, 1<sup>st</sup> Workshop on Research and Development of Generic Drugs, 1<sup>st</sup> International Workshop on Experimental and Molecular Neuropharmacology, 1<sup>st</sup> International Workshop on Pharmacology of Pain, 1<sup>st</sup> International Workshop on Medication Errors, 1<sup>st</sup> Symposium on Nursing Cares and Pharmacotherapeutic in Infantile Health**

Simultaneous interpretation will be provided. A commercial exhibition will take place as an important part of the meeting. The venue of the congress will take place at Melia Habana Hotel, located in Havana city. During your stay in Cuba you can plan to visit different interesting places in Havana and in the provinces of Pinar del Río, Matanzas, Cienfuegos, and Villa Clara, which are close to Havana.

We are inviting you to discover and enjoy the geographical, tourist, historical and cultural treasures of Cuba, in a particularly interesting scientific atmosphere, brought up by the impressive development achieved with pharmacological sciences and other scientific disciplines related to it, in the largest island of the Caribbean.

In our beautiful island, presented nowadays to the world as a reality of highly developed Health System, where conditions have accomplished the commitment of Health for All, you will also find the contagious hospitality and the happiness of our people. **We hope to see you in Havana in December 2010..... for Pharmacology Havana 2010!!**

Cuban Pharmacology Society invites you to participate in the **4<sup>th</sup> International Congress of Pharmacology and Therapeutics together with other events: 9<sup>th</sup> National Congress of the Cuban Society of Pharmacology, 5<sup>th</sup> Workshop on Pharmacovigilance in the 10<sup>th</sup> Anniversary of Pharmacovigilance Cuban Coordinating Unit, 2<sup>nd</sup> National Symposium on the Teaching of Pharmacology, 2<sup>nd</sup> Symposia on Therapeutic Updating in Cancer, Asthma, and Endocrinology, 1<sup>st</sup> International Symposium on Alternative Pharmacology and Toxicology, 1<sup>st</sup> International Symposium on Pharmacogenetic and Meeting of Iberoamerican Society of Pharmacogenetic, 1<sup>st</sup> International Workshop on Pharmacoeconomy, 1<sup>st</sup> Workshop on Research and Development of Generic Drugs, 1<sup>st</sup> International Workshop on Experimental and Molecular Neuropharmacology, 1<sup>st</sup> International Workshop on Pharmacology of Pain, 1<sup>st</sup> International Workshop on Medication Errors, 1<sup>st</sup> Symposium on Nursing Cares and Pharmacotherapeutic in Infantile Health**

This meeting will be held in the cheerful and charming City of Havana, Cuba, the place where you can find a mixture of modernity and steady development, surrounded by the unforgettable atmosphere of our historical center, declared Heritage of Mankind by UNESCO.

The beauty of the beaches, the predominant green color of our countryside, the kindness of our tropical weather, and the contagious happiness of Cuban people will remain as endless memories in your heart.

Take an advantage of this unique opportunity to combine pharmacological sciences and other disciplines related to them with the cultural, historical and social treasures of Cuba, in a particular venue: Melia Habana Hotel.

We hope to see you in Havana in December 13<sup>th</sup> -17<sup>th</sup>, 2010.
